

CV-19 COMMUNITY BULLETIN

19th MAY 2020

No 9

We hope you are finding these bulletins useful. They are compiled by the Council's Communities Team, along with its' health and community partners. We want to try and ensure clear health messages and connect those who can supply help with those who need it.

As you know Rossendale is a great place to live and work and our community is strong. We have seen lots of fantastic examples of local people coming together to help each other and their local area. We will all pull together during this crisis and be even stronger when life gets back to normal hopefully later this year.

If you have any information or ideas you think would be useful to include in the bulletin or would like to be added to the mailing list please e mail us at communitiesteam@rossendalebc.gov.uk

All bulletins will be posted on the Rossendale Borough Council webpage, Facebook etc.

ROSSENDALE CONNECTED - Supporting those in need across the Rossendale community

Rossendale Connected is here to help communities, families and individuals who find themselves without any support network and are facing challenges presented by the coronavirus outbreak. So far we have made contact with over 2700 individuals. We can help in connecting people to community organisations and volunteers that can provide food, essential supplies, medicine or if you need to talk with people during isolation.

www.rossendaleconnected.org **01706 227016** help@rossendaleconnected.org

Lines are open every day 9am - 5pm

Rossendale Connected Hub is a partnership between Rossendale Council, Rossendale Leisure Trust, Rossendale Primary Care Network, Burnley Pendle Rossendale CVS, Lancashire Police and a wide range of community partner organisations and volunteers.

A crowdfunding JustGiving page has been set up for the Hub:

https://www.justgiving.com/crowdfunding/rossendaleconnected-hub?utm_term=XenRgx5dQ, please support even with the smallest donation.

We are looking for support from local volunteers and services. If you are able to help in any way please fill in the volunteer form on the Rossendale Connected website or Facebook page

BEREAVEMENT SUPPORT

CRUSE Bereavement Care Offers support, advice and information to children, young people and adults when someone dies. Free helpline is 0808 808 1677 | email: helpline@cruse.org.uk | www.cruse.org.uk

The helpline is open Monday to Friday 9.30 – 5pm (excluding bank holidays) with extended hours until 8pm on Tuesday, Wednesday and Thursday. The helpline is staffed by trained bereavement volunteers who offer emotional support to anyone affected by bereavement.

During the coronavirus pandemic we are facing a tragic loss of life, often under very difficult circumstances. Those who become bereaved in this difficult time may be cut off from their usual support network. CRUSE have put together some resources which cover some of the different situations and emotions you may have to deal with and the information and added to and updated as the situation develops.

PHARMACIES TO PROVIDE SAFE SPACES FOR VICTIMS OF DOMESTIC ABUSE

Boots has partnered with the UK Says No More campaign to turn its consultation rooms into “safe spaces” for victims of domestic abuse, and other pharmacies can join the initiative.

People who are experiencing domestic abuse during the COVID-19 pandemic can walk into any Boots branch in the UK from today (May 1) and ask the pharmacist if they can use the consultation room.

Once inside the room, “all the specialist domestic abuse support information will be available” and if the person needs to contact a domestic abuse support service, they can “make that call safely”

FUN ACTIVITIES FOR BORED CHILDREN!

1. Make den

It doesn't take much – an old sheet strung between chairs, or a cardboard box construction and young minds will do the rest!

2. Pebble painting

Just collect a few pebbles from the garden or when out on a walk, and paint them or use felt tip on lighter pebbles. If they are going to be kept outside the colours will last longer if painted over with varnish.

3. Crepe paper obstacle course

Criss cross crepe paper from one wall to another, leaving just small gaps for the kids to climb through. See if they can make it through the course without tearing the paper.

4. Make some Play-Dough

Just mix 2 cups of plain flour, 1 cup of salt, 1 tablespoon of oil, half to 1 cup of cold water, 2 drops of liquid food colouring. Mix the flour and salt then add the water, oil and food colouring. Knead the mixture well, adding a little more flour if the consistency is too wet.

5. Wallpaper people

If you've got an old roll of wallpaper, or any other paper for that matter, lie your little one down on it and draw around them. Amazing how long they will spend colouring themselves in afterwards. They might also want to make a wallpaper mum, dad or sibling too.

6. Potato printing

Most of us have got an old potato lying at the bottom of the cupboard. Hopefully it will still be in a fit enough state to carve a shape from to use as a paint stamp. Make some patterns and you could end up with a piece of art to treasure.

7. Egg decorating

You might be missing the annual Easter egg decorating competition at school but that doesn't mean you can't get doing your own designs at home.

8. Minions

These ones were made with the insides of Kinder Eggs, but you could easily make them by colouring in or painting some toilet roll tubes yellow. Stick-on googly eyes work a treat, or you could draw them on. Either way you'll end up with a pretty impressive Kevin or Bob.

9. Make a bird box

Who doesn't like watching the birds feed in the garden, especially when there's little else happening at the moment. Families have been busy making their own bird feeders too, using just a large four-pint milk bottle. Felt tips is all you need to colour the plastic, but people have been sticking paper, feathers and other things on to make them bright and colourful.

10. Treasure Hunt

Give each child a bag with a list on showing what they have to find - a leaf, a flower, a stick, a stone etc. You could use the collected items to make a nature picture afterwards, or a leaf print.

And if you want to stay indoors then why not hide some letters or words around the house. They can find them and then use them to make words and sentences. They won't even realise they're learning!
