The Bible is a big and complicated book to read and for many it can be difficult to know where to start. Maybe you've been part of a Bible study group and want to build your confidence so you can study the Bible on your own, or maybe you need help connecting together the bits you've been reading. The Bible Course is a great resource, whether you are familiar with the Bible or just starting out.

- The Bible Course helps you see how the books of the Bible are part of one big story.
- Using a unique storyline, The Bible Course will show you how key events, books and characters fit together.
- The video teaching, course guide and daily readings will help you grow in confidence as you read the Bible for yourself.

Well put together, straightforward to lead, & very engaging. The Bible Course is a fantastic resource to the Church, which I wholeheartedly recommend to you!
